Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above-identified patent under the provisions of Rule(s) 1.322.

Inspection of the application for the patent reveals that in connection with the alleged errors the printed Letters Patent with regard to applicants request, and, in as much as the decision is determined in accordance with records of this office; correction as requested is not warranted entry. Accordingly, there being no fault on the part of the Patent and Trademark Office, it has no authority to issue a certificate of correction under the provisions of 35 U.S.C. 254 and Rule 37 CFR 1.322 of the Rules of Practice of the United States Patent and Trademark Office in Patent Cases.

In view of the foregoing applicants request is hereby denied.

Applicant may request further consideration by submission of a new request filed under 37 CFR 1.323 along with the Certificate of Correction fee presently \$100.00 or a reconsideration filing together with documentation in support of applicants request filed under 37 CFR 1.322. Required documentation may include acknowledgement of receipt.

Any telephone inquiry concerning this communication should be directed to Ms. A. Green at (703) 756-1541.
